Blog: NationJob.com Says Goodbye to 2009!

2009 has been one for the record books – and not the record books that most of us would like to be a part of! However, as the year draws to an end, we would like to take a moment to reflect on all of the positive things to come out of an otherwise tough year!

It's Makeover Time

Our homepage, along with PJScout.com, received a complete redesign from January to March of this year. PJ Scout himself even got a makeover! Community, industry and state pages also saw big changes and we continue to make improvements as necessary. Look for additional changes in 2010!

Wichita Community Job Network Renews….again….

In May, the Wichita Metro Chamber of Commerce renewed the Wichita Community Job Network for the **15th consecutive year.** The Wichita program was the first of many for NationJob. It has proven to be a leader, a guinea pig, and - most importantly – our flagship program, since its inception in 1994. View Press Release

Welcome to the family!

Despite a historically high national unemployment rate, NationJob's Community Partner Network™ welcomed nine new Chamber Partners in 2009. They include Roanoke, VA, Greenville-Pitt, NC, Clarkesville, Oak Ridge, Cleveland and Cookeville, TN, Bessemer, AL and Round Rock, TX. We are excited that these Chambers and communities are now part of our Partner Network and look forward to working with them to grow their respective programs in the Community Job Network.

As you can see, NationJob had many things to be pleased about in 2009 and we look forward to an even better 2010!

…In All Seriousness

We would like to close with a very sincere 'thank you' to all of our partners and customers. We know it sounds cliché, but without you, we would not be here. We understand that in times like these every service and contract is evaluated

and we want you to know that we appreciate your business. We are here to help you. If there is anything that we can do to improve your customer experience with us, please don't hesitate to offer feedback.

Wishing You Success in 2010
