## **NATIONJOB NETWORK RECEIVES 2009 DES MOINES AWARD**

U.S. Commerce Association's Award Plaque Honors the Achievement

Washington D.C., June 8, 2009 -- NationJob Network has been selected for the 2009 Des Moines Award in the Data Base Information Retrieval category by the U.S. Commerce Association (USCA).

The USCA "Best of Local Business" Award Program recognizes outstanding local businesses throughout the country. Each year, the USCA identifies companies that they believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and community.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2009 USCA Award Program focused on quality, not quantity. Winners are determined based on the information gathered both internally by the USCA and data provided by third parties. NationJob.com has been in the electronic recruiting industry for 20 years and is a leader in community based recruiting. Providing local, regional and national reach through significant search engine marketing efforts and a subscriber database of over 1 million custom searches, NationJob is one of the most cost effective internet recruiting solutions available.
